

THE ANIMAL ORCHESTRA

Experience science, art and music in this school holiday workshop as we learn to use a circuit and concept of programming to create an interactive musical artwork that we can play in class*.

*Students will have an artwork to bring home, but interactive elements can only work in the workshop setting. Videos of the final work will be supplied to the best of our abilities.

Pick a day
↖

TIME 10:00 a.m.– 4:00 p.m.
